If your organization, school, church, or town require that they be listed as an “*Additional Insured*” on our liability insurance policy, please provide us with the name and address as they would like it to appear and we will send you the certificate. An additional fee of \$35 applies to this service.

Safety

For your safety we do not drive on roads or sidewalks that are not barricaded. A right of way/block party permit from the city will be required to barricade the road. The train needs a level area free from traffic to operate. The train cannot run on wood chip paths.

If operating on grass, please cut your grass a day before the event and do not water the grass on the day of the event. If you have timers, please adjust to not run on the day of the event before or during the event. All sprinklers should be fully retracted to prevent damage to your system & our train.

We reserve the right to drop a car if ground conditions are not suitable for the train to operate safely with all cars.

Guests must obey all posted safety rules while riding and waiting to ride the train. Guests not obeying posted rules for riding the train will be asked to exit the train and not allowed to ride again.

We reserve the right to cease driving the train and leave without refunding any monies in the event of extreme adverse working conditions if the renter fails to remedy the situation. Adverse conditions included but not limited to: destructive, violent, or extreme behavior of a child, adult, or pet; illegal activities; or otherwise dangerous conditions.

For jobs 2 hours or more we require a 5-10 minute paid break once every 2 hours.

Cancellations

If you need to cancel this reservation for any reason, please do so at least 7 days prior to the event. Any cancellation made 48 hours before the event will not receive a refund.

If we determine the day of the event before services are rendered that the weather/ground conditions are not suitable to operate the train, Little Conductors will give you a full refund. If bad weather occurs during the event after we have started and the event needs to be canceled this would be considered a full hour and payment will be rendered for that first hour. If the contract was set-up for additional hours and bad weather causes the event to be canceled the cost of the additional hours that were not completed will be refunded.

To receive a refund, please submit your cancellation in writing to: 18530 Bush Rd. Chelsea, MI 48118. Or email us at: info@lilconductors.com. A partial refund of \$25.00 will be issued if received 3-6 days prior to scheduled event. We will determine date by postmark or date emailed.
